Bob announced he was continuing his career in the Silvy Group in aviation and airport consultation. Now he just has to decide on a new name for his Rotary Classification,that's gonna cost him !

Congratulations Bob, we wish you well and appreciate your continued support of the Rotary Club of Chula Vista.

Winners

President Richard accepted the raffle prize reluctantly after his ticket was drawn by Chris Lewis

Lyn Corder was very excited to receive a prize !!!

Steve Broadbeck took away another prize. What's that Steve.... Two weeks in a row ?

Gary Bryant requested President Richard acknowledge him as he had something important to say.

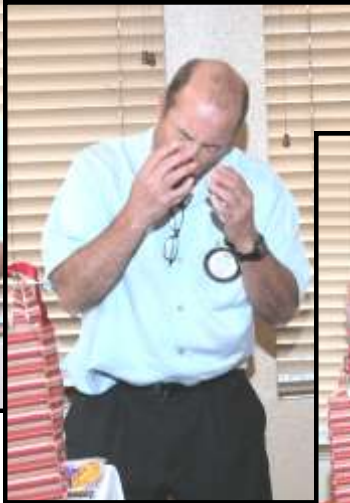

Gary noted that Richard left "Pancho the Pig (polio donor bank)" behind at this week Gov'nr. Elect's reception. You know Gary always willing to help.... Somehow though Pancho was turned into a 2lb slab of bacon.

"It's ok, I brought in a replacement Hippo"

Nick Gastaro presented his annual joke to the club with pained expressions. No less than what all the members felt in having to listen to it !

Eric Rimmele, President Elect..... Enough Said ! Well he actually said a few words about Progressive Dinner

Brad Wilson was asked to say a few words by President Richard

.... Brad's reply.... No....

Ken Weimer was pinned with his 3rd Paul Harris Fellowship by Duane Buckingham. Larry Wergeland read about the importance and impact Ken's donation will make.

RI President Gary C.K. Huang. RI President-elect Gary C.K. Huang explained his theme, Light Up Rotary for 2014-15. Huang was in-

spired by the teachings of Chinese philosopher Confucius who said: "It is better to light a single candle, than to sit and curse the darkness." "There are so many problems in the world, so many people who need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark," "The Rotary way is the Confucius way. The Rotary way is to light a candle. I light one, you light one, 1.2 million Rotarians light one. Together, we light up the world." Huang, is a member of the Rotary Club of Taipei in Taiwan.

Duane Buckingham, our own District Governors Representative, handed President Richard a number of Club Flags received from the visiting Governors at our recent dinner reception. There is a story behind each one..... Ask Duane to enlighten you when time prevails.

A huge celebration that the Tijuana Rotary Club put in honor of 400 kids with special needs and their families. Our International Service projects in representation of our Club made a donation to buy blankets. They held a festival in their honor. Some Rotarians dressed in costumes of Super Heroes to take a picture that they can keep. They had a Rosca de Reyes, breakfast, theater show, a toy they can choose, bag of goodies and a blanket. The Governor of the state and his wife attended the event and helped distribute some of the toys. Rotarians and wives, Rotarac Club and a lot of volunteers made the event a great joy for all the attendees. They thanked our club for our contribution. - **Alma Villarruel**

District Governors Elect Reception Dinner by Chula Vista Rotary

Lourdes and Saul Valdez graciously opened their home to visiting District Governors-elect again this year. We had twelve DGE's and their spouses along with several members of Lourdes' CV Sunset Rotary Club and over 20 members of our club. We were treated to a sumptuous feast including several donated foods and wine along with catered tacos especial. Thanks again to Duane Buckingham for organizing this annual event. If you weren't there, you missed a great evening of Rotary world-wide fellowship! —for more pictures taken by Jerry May visit the Rotary Web site— www.chulavistarotary.org/gallery116.html
